Dear Applicant

The **Tregynon Wind Farm Trust Fund** is funded by **Infinis**, the owners of the Mynydd Clogau Wind Farm. They will be making an annual donation of approximately £8,500 to the fund during the life of the wind farm for the benefit of the local community

Please find attached the form to be used for making your application to the Trust Fund. To comply with the terms of its constitution, I must advise you of the Terms and Conditions applicable to your application. I would ask that you take the time to read them.

General Conditions

- Generally only applications from those who reside in the Tregynon Electoral Ward are eligible for grants.
- Businesses are not eligible for grants.
- Grants for projects and services will not be paid until the project has been completed or the service provided. Proof of completion may be requested.
- Applications must be submitted and approved before commencement of a project. No retrospective applications will be considered.
- Applications that are seen as promoting a specific political or religious position will not be considered.
- If considered necessary, the Trustees reserve the right to request additional information beyond that mentioned in this guidance letter. This may take the form of detailed plans or requesting the applicant to meet with the trustees to discuss the application.
- **All Trust Fund decisions are final and no further correspondence will be entered into.**

Grants for Educational / Training Courses

This is a payment for recognised qualifications.

- Your application must be accompanied by a letter from the college / training body which clearly states you have been accepted on the course. Failure to provide this letter will mean your application will not be considered.

Grants for Clubs and Societies

- Applications must be accompanied by a copy of the Club / Society's annual accounts, its constitution or rules where possible and any relevant quotes.

- In normal circumstances, without these three requirements accompanying the application, the application would not be considered. However if it is not possible to provide any of these then a letter explaining why must accompany the application.

Publicity

- It is important that the work of the Trust Fund is acknowledged in any published materials that relate to the grants that have been given. Therefore, if an application is successful, individuals, clubs and societies are required to:
 - (a) Acknowledge the contribution of the Trust Fund in any publicity they might produce
 - (b) Participate in any publicity that the Trustees might organise.

If you have any questions relating to your application please do not hesitate to contact me. I look forward to receiving your application which will be submitted to the next meeting of the Trustees.
